KADENA AIR BASE, OKINAWA – Ryukyu Middle School was briefly placed on a movement hold today after a student discovered a camera in a female restroom. Security Forces Squadron personnel secured the memory card from the device, and the Air Force Office of Special Investigations has initiated an investigation. A person of interest has been detained for questioning. We will provide more information as it becomes available.

SFS will inspect all installation schools, Child Development Centers, and Youth Centers before reopening tomorrow for normal operations.
