MEMORANDUM FOR BASE-WIDE DISTRIBUTION

FROM: 18 WG/CV

SUBJECT: 18th Wing Environmental Commitment Statement

1. Maximizing the 18th Wing's ability to project airpower, provide for the common defense of Japan, and to pursue our National interests in the Pacific region requires the protection of our host-nation environment, the safeguarding of natural resources, and the preservation of human health. Members of the 18th Wing are responsible for adhering to the 18th Wing Commitment Statement:

- a. Consider environmental impacts during mission planning, execution, and sustainment.
- b. Ensure compliance with environmental laws, regulations and policy requirements.
- c. Proactively manage environmental risks.
- d. Perform our mission in a responsible manner to prevent pollution.
- e. Educate and train our workforce in the use of environmentally-conscious practices, recognizing that all employees are responsible for protection of the environment.
- f. Continually improve our environmental programs through innovative solutions.

2. All personnel living and working within the 18th Wing, including contractors, associate units, and vendors, must comply with this environmental commitment statement. Units will post copies of this statement in shops and work areas.

3. For additional information, please contact the Kadena Air Base Environmental Office at 634-2600.

A handwritten signature in black ink, appearing to read "Richard C. Tanner", is positioned above the typed name.
