Status of confirmation-survey of barrels (targeted for areas of former valleys)

Layers-scraping survey at parking area (completed)

Area where 83 barrels were found

- ① Area where 83 barrels were found
- ② Area of layers-scraping magnetic survey (former site of west-side spectators stand)
- ③ Area around toilet (small-scale earth retaining work)
- ④ Area around entrance gate (small-scale earth retaining work)
(Necessity of excavation for this area will be decided based on results of nearby excavation-survey)
- ⑤ Three areas along Prefectural Highway
(Necessity of excavation for these points will be decided based on results of nearby excavation-survey)
